

## CLAIM AMENDMENTS

Claims 1-6 (canceled).

Claim 7 (withdrawn): A process of producing a kind of bean food, comprising the steps of:

- (a) preparing a certain amount of one or more kind of flour;
- (b) comminuting a certain amount of one or more flavor materials such as vegetables, fruit, sea foods, domestic birds, wild birds, plants, fungus, and condiments into juice, granules, fine granules, or powder;
- (c) adding said comminuted flavor material into said flour;
- (d) adding a certain water or not;
- (e) fully mixing;
- (f) mixing said flour with said flavor material;
- (g) enveloping a filling with said mixed material made in step (f);
- (h) producing a semi-finished flour product; and
- (i) producing a finished flour product.

Claim 7 (new): An oriental flour product, comprising a predetermined amount flour, a flavor material mixing with said flour, and a predetermined amount of water mixing with a mixture of said flour and said flavor material to form a semi-finished flour product, wherein said semi-finished flour product is cooked to form a finished flour product selected from the group consisting of steamed bun, meat stuffed bun, mooncake, cake, sweet dumpling, instant noodle, noodle and Chinese refecton, such that said finished flour product contains multi-flavor and rich nutrition.

Claim 8 (new): The oriental flour product, as recited in claim 7, wherein said flavor material is selected from the group consisting of juice, granules, fine granules, powder of at least one of vegetables, fruits, sea foods, domestic birds, wild birds, plants, fungus, and condiments.

Claim 9 (new): The oriental flour product, as recited in claim 7, further comprising a filing filled in said semi-finished flour product.

Claim 10 (new): The oriental flour product, as recited in claim 8, further comprising a filing filled in said semi-finished flour product.

Claim 11 (new): The oriental flour product, as recited in claim 9, wherein said filing is meat granules.

Claim 12 (new): The oriental flour product, as recited in claim 10, wherein said filing is meat granules.
